EXPERIENCE

Eugene Lang Dean's Office **Student Assistant** New York, NY
September 2024 - Present

- Serve as first point of contact for the Dean's Office, resolving visitor, staff, and student inquiries via email and in-person communication, creating a reliable and welcoming space for students and staff.
- Manage print production for course materials, promotional flyers, and Lang Theater Productions scripts, coordinating distribution across campus.
- Maintain office operations including supply organization, mail intake/notification, and event setup support, delivering time-sensitive materials.

Meta/Instagram **Product Design Collaborator** New York, NY
April 2026

- Selected to participate in a creative co-lab with Instagram's design team, ideating on personalization and everyday-engagement features, gaining exposure to collaborative design workflows within a major product design team.
- Explored concepts for casual, non-post content sharing and profile customization to deepen daily engagement.
- Developed ideas for how Instagram could support event discovery and post-event relationship building, addressing how users meet and stay connected through the app.

SKILLS

Design: Art Direction, Brand Identity, Editorial & Print Design, Typography, Layout Design, Advertising, Motion Design, Web Design, Product Design.

Tools: Adobe Creative Suite (Photoshop, Illustrator, InDesign, Premiere Pro, After Effects), Figma, HTML, CSS, JavaScript, Miro, Mural, Microsoft Excel.

Craft: Bookbinding, Sewing, Drawing, Painting, Photography, Silk Screen, Printmaking.

Biggs Museum of American Art **Museum Intern** Dover, DE
Summer 2025

- Served as primary visitor contact at the front desk, providing information on museum exhibitions and current shows, enhancing visitor experience and engagement with the collections.
- Supported planning and execution of community engagement events, including setup, breakdown, and hands-on visitor facilitation, helping boost attendance and community participation.
- Facilitated family and youth-oriented craft programming designed to build early engagement with art-making, introducing art fundamentals to young audiences.

Sussex Academy High School **Theatre Manager** Georgetown, DE
August 2021 - May 2024

- Directed full-scale productions, overseeing casting, rehearsal scheduling, and creative concept from inception to performance, delivering sold out shows across 3 seasons.
- Designed and executed scenic environments across 8+ productions, including set construction, painting, and prop fabrication.
- Created and managed all promotional design for the department, including founding and running its Instagram account, growing audience engagement through print and digital media.
